-Facilities rpt by Greg Isles mentions a thank you to all that participated in last month's Work Bee.

Noted the sign in sheet on the door is being used by members doing work at the club.

Now there is a red warning light on the range behind the warming hut.

Will be installing canape behind warming hut soon.

17 target frames serviced at Work Bee.

Drill and screws inside warming hut.

Red "mis-fire" containers on all ranges curtesy of Scott Conti.

Thanks to Mike Winn for helping Steve and Paul with the mowing.

-Bob Gosselin spoke of the Mentor Night coming up on June 11th.

We have a number of mentors lined up but only 2 mentories signed up so far. The event will be held even if there are only 2 participating. Tracey mentioned one of her new students might be interested.

Pat O'B questioned whether this could be open to the public. There is a lot to consider on this and will be discussed at the next BOD meeting.

-Mark B spoke about shooting by non-members off of club property. Noted on Tues AM Bob G and a new member heard a lot of shooting in the woods. No one was shooting at the club at that time.

-Ed Cialek and Hollington Lee spoke in detail about the new Rimfire Steel Challenge planned for July.

Holly Lee states a club from Mystic CT is going to donate a number of steel target plates.

Delegating \$750.00 for equipment for this shoot proposed and passed. This will also include timers.

-Ed Cialek also proposed a shot gun shoot using clay birds on steel holders.

Scott Conti has 4 sets of these holders but will need more for this event.

Funding \$750.00 for equipment for this event voted on and passed.

-Mike Winn had a presentation for the club to sponsor a CPR class that may include instruction on the use of the de-fribulator and maybe 'stop bleeding' instructions.

Will need discussion at the BOD meeting to consider things like. 1-open to public? 2-do a non-qualified class or a qualified class? 3-a co-pay needed? Etc

Meeting adjourned at 7:45 Bob Gosselin Secretary-
