

## Member's Meeting 7/16/2025

-Meeting started at 7:00.

-Secretary's minutes of last month's meeting read and accepted.

-Membership at annual – 167, family – 86, senior – 125, lifetime – 4 and student – 11 for a total of 393.

-Treasurer's report read with a total of Checking - \$128,873.16 and CD - \$44,099.81 for a total \$172,972.97. Note, we have some heavy expenses due soon involving buying new Skeet machines and buying a truck load of clay birds.

-Welcomed 2 new members at tonight's meeting. Room was full with about 35 members present.

-Facilities rpt by Greg Isles, the berms need work with adding dirt and weed whacking needed.

Someone coming Fri to check berms and give an estimate.

UMAS PD doing an excellent job in picking up their brass.

Trees at the Conex box have been removed.

Mowing by Paul C and Mike W. Place looks great!

Looks like there will not be a summer Work Bee as there is not enough work for 20 or 30 guys to do.

-Holly Lee reports the Rimfire Challenge had 8 shooters. All enjoyed it. Is scheduling another on Aug 23 and possibly another on Sept 20<sup>th</sup>. Needs volunteers to help set up and take down.

-Still looking for 1 or 2 people to put out the monthly news letter. Holly Lee said he will help.

-Club Cookout Justin Sessions states it will be on Sat Sept 13<sup>th</sup> at 1:00.

All shooting will stop at noon.

Club will supply burgers, dogs and soft drinks with members bringing side dishes.

There will be a link for attendance so we will know approx how many people to expect.

Volunteers will be needed for setting up the LARGE tent Julie is supplying and moving chairs etc out.

-Septic tank has been emptied and a fence will be installed over it to prevent anyone driving over it.

-Trap machine checked by Jim Chamberlain. Paul C rpts it has been cleaned and is now working. Jim said most of the problems stem from over greasing and shooting doubles. NO MORE SHOOTING DOUBLES.

-Skeet Machine committee visited 3 different clubs in NE and saw many machines in use and spoke to the people running them. After all their research they recommended the ATLAS machines at a cost of \$7,499.00 for 2 including delivery and set up. A motion to buy the 2 machines 2<sup>nd</sup> and voted. 100% vote in favor of buying the ATLAS machines. There is already \$15,000 set aside for this and other skeet and trap issues.

-Gary Braff rpts the last Practical Handgun meet had 5 shooter. The next one will be on 7/26.

-Bob G rpts there will be another Mentor Night in Aug some time after 8/16 as we want to be able to include anyone from Tracey's LTC Class that might be interested.

-Meeting adjourned at 7:42 Bob Gosselin Secretary
