-Facilities report states ranges in good shape.

Tools in the warming hut for target board repairs.

Write on the board please if you do anything extra for the club.

If you notice anything that needs doing please leave a message so it can be addressed.

Archery range needs work but not much interest in club. Would love to see someone start an archery program. So far no takers.

200 yrd steel usable but needs work soon.

Soda cans returned for \$500.00

Large targets on the Rim Fire Range for .22 Rimfire Challenge.

-Steve P reports Berkshire Hills spent 2 ½ days working on the berms and road.

Martha's fence post dug up and left in her yard.

Farmer using all organic products on his crops.

-Picnic on Sept 13 still needs volunteers especially with the tent. So far 8 names have signed up to help. Need a Grill Master to do the cooking.

-Skeet Machines on order.

-News Letter will be done now by Holly Hollington. A questionnaire handed out to give him some direction for the future.

County Fair scheduled for Sept 4 – 7. Still need volunteers to work our booth. Entrance tickets and parking permits will be provided.

-Work Bee date changed to October 25th. Lots to do.

-President Mark Brennan has decided to suspend the use of Sig P360 on our range temporarily until more information is provided as reports of mis-fires are in the news. No insurance companies will cover any mechanical failures. Member's safety number one priority.

Meeting adjourned at 7:50 Bob Gosselin Secretary
